Just One

by Augusta R. Mennell, Campus Ministry Director

Why would a 78-year-old want to continue volunteering as Campus Ministry Director? Because I want to help even one student become a Christian this year.

On April 12 Vusala, a former international student from Azerbaijan who graduated in 2003, came to All Saints bringing her American husband, Lee, with her. They had driven from their home in Washington, DC, just so she could see All Saints again. They came because she had such fond memories of All Saints. As they looked through the old photo albums, she exclaimed about the friendship she had experienced at All Saints. We had not realized how much it meant to her to have our help. Lee thanked us for the kindness we had shown her. As we stood in our sanctuary he commented on the beauty of our altar. Wistfully he said that he had attended a huge and famous mega-church in Los Angeles, California, but had never “caught” the enthusiasm for faith that the congregation showed. He accepted our offer to locate the name of an LCMS church in the DC area. Vusala and Lee were open to receiving this information, as well as the photos we took of their visit. Rev. Larry K. Loree, All Saints campus pastor, found the name and number of a congregation which is only a short distance from their DC home. Their visit inspired me to hope that seeds planted sixteen years ago will grow into faith in Jesus.

All Saints’ monthly student Korean meals are really “hope meals.” At every meal we invite students to come not only for the meals but also for worship and Bible classes; and especially for the opportunity to share our faith and hear about theirs. Students who have come to meals sometimes ask for rides and for one-on-one lunches.

During these times we have openly explained who Jesus is. I’ll never forget that a student from Poland was astonished that his church back home had not shown such friendship for students that he found here. He went home with sweet memories. This gives me hope to keep on serving meals just for the chance that those who have never heard the Gospel will hear it in this place.

Christians are not encouraged to be open in their faith on this secular campus; in fact, they are discouraged from doing so. They are encouraged to keep their faith in their homes and in their churches. Fortunately, Slippery Rock University holds orientations for students where All Saints is allowed to have a table promoting Christian fellowship. We greet students and their parents as they go by our table. We invite them to give us their names and phone numbers so that we can invite them to the student meals when they arrive on campus in the fall. Since there are few Lutherans in this area, few Lutherans come by. But those who do, are glad we are on campus for them. Students from other denominations are happy to

be invited to our meals, worship and Bible study. It is a blessing to be able to share our faith. It is a time of hope. At every orientation gathering we hope that the Holy Spirit will send even one student to us. We just cannot give up.

Happiness is Bible study. Bible study is hope. Two unlikely students come in for weekly Bible classes at All Saints. They are not Lutheran, but they want to know more about the Bible. They are such fun to study with. Genesis comes alive in these classes with the help of The People's Bible, a Bible commentary for laymen.

Chris and Samantha are Americans who have a joy in being Christians. Their enthusiasm is contagious. They give hope for expanding Bible classes to others. In fact, our hope is to expand our Gospel message by inviting students to participate in discussions dealing with the Bible's view of singleness and marriage. Hope is ongoing.

As I sat writing this article on hope, an international student who has been here many times, but has never become a Christian, came into All Saints for sympathy and guidance. She is in a bind. She needs hope. We went over the uselessness of bitterness, of blaming others, of embracing victimhood. She is out of options; her money is gone and her time for being allowed in the United States is over. She can't go home because it is dangerous there, and she is afraid she would be constantly seen by her parents as a failure. We talked of going home anyway. We talked of emigrating to Canada. In the past I would hold out the promise that Jesus makes to be with us, and then we would grasp each other's hands and pray. This time I did not extend this invitation because I did not want to pressure her. But, surprise! She herself held out her hands for prayer without being prompted to do so. We prayed. She needs faith. She needs God's help.

The reason this 78-year-old stays in campus ministry is because God can change even her heart – even a heart which has resisted faith for so many years.

Minersville Cemetery

by Rev. Brian Westgate

Members of First Trinity and Redeemer, as well as a local TrailLife troop, came out to Minersville Cemetery for work days on April 13 and May 4.

On April 13, general cleaning of the cemetery grounds was done. On May 4, work was done to clean out the cemetery drives and to clean out the gutter on the cemetery side of Shawnee Street. The pictures are of some of the work done on May 4, and includes a picture of some of the participants.

Stay tuned for more opportunities to volunteer at Minersville. We hope to see you soon!

DEVOTION

by Rev. Brian Westgate

“Let God arise; let His enemies be scattered: let them also that hate Him flee before Him.” – Psalm 68:1

These words are the historic Psalm verse of the Introit for Pentecost. Why sing these words on Pentecost? “Arise” makes us think of Easter, after all, of Jesus rising from the dead, or maybe of Christmas or Annunciation, with Jesus leaping down from His royal throne to take on flesh in the Virgin’s womb and being born in a stable.

On Pentecost, God sent His Holy Spirit to His Church. He “arose,” He went into action, to scatter His enemies, to make them flee before them? What/who are those enemies? You know them well: sin, death, Satan.

God the Holy Spirit comes to us from God the Father and God the Son to deliver to us the goods of Jesus’ Passion. He delivers to us the forgiveness of sins which Jesus won for us. Sin flees from Him – He forgives us and helps us do what is right. Death flees from Him – if we are forgiven death must give us back to life. Satan flees from Him – He is defeated and we are rescued from his evil domain to dwell in the Good Shepherd’s fold.

So, “Let God arise!” Arise, and come to our help, O Lord! Deliver us from all evil, as You have promised. Deliver us to the joy of Your nearer presence.

Pastor Westgate and Pastor Spittel recently attended the St. Mark's Conference at Our Savior's Lutheran Church, April 29 and 30, in Baltimore. Pastor Westgate is the conference organist, and this year Pastor Spittel presented a paper entitled "Reclaiming the Household: Household Traditions and the Christian Year." is playing and the attendees are singing a little Christmas midnight carol found in Maria Augusta von Trapp's "Around the Year with the Trapp Family." (Yes, that's the real Maria of "Sound of Music" fame).

Pastor Spittel also presented his paper at the Pittsburgh Pastoral Conference the following Monday, May 6. He wants to remind all of us that our religion should be found in the home just as much as it is found in our churches. He uses Frau Trapp's book to give families ideas on how we can bring home the Church Year in song, crafts, food, and more.

Spring Planting Season is Here for the Church

by David W. McElroy, PALM Mission Chair

There has been an expressed interest in establishing LCMS congregations in the Cranberry / Mars corridor along Route 228 north of Pittsburgh and in the Irwin / Greensburg corridor along Route 30 to the southeast.

If you or any one you know, either laity or clergy, from either of these areas would be interested in forming a Confessional Lutheran Bible Study group that might lead to a church planting, please contact me at the following number or email address.

SPRING SEMESTER FULL OF BLESSINGS THROUGH YOUR CAMPUS MINISTRY IN PITTSBURGH

by Pastor Eric R. Andrae

Another semester has come to a close for your campus ministry in Pittsburgh. There have been far too many blessings to share them all within this word limit, but a picture is worth a 1000 words, so here are several “thousand” - highlighting one item per month, with a few words of explanation, as well.

In January, our LSF chapter attended the national LCMSU campus ministry conference in Ft. Wayne, Indiana. With students from Pitt, CMU, CCAC, Trinity School for Ministry, Duquesne, and Grove City, we represented six different schools in the Pittsburgh region. I was also privileged to give a presentation on “The Three Triplets of the Law” (see photo & *Reporter* cover picture. Terry Terhune V (Jr., Duquesne; 2nd from right in photo) entered the poetry competition at the conference and...won first place!

In February, over 20 students (including 4 non-Christians) and I attended a stage adaption of C.S. Lewis’s *The Screwtape Letters* (see photo). Afterward, we had a wonderful and fruitful discussion over Jimmy John’s subs.

In March, we once again offered the imposition of ashes on Ash Wednesday, tabling at central locations on campus at CMU (student union) and at Pitt (dorms/cafeteria). Some 75 students and staff stopped by for conversation, ashes, prayer, and devotional material – and, of course, an invitation to Bible Study and worship. (See photo which appeared on one of CMU’s official Instagram accounts).

In April, we celebrated Easter, of course. Christ is risen! Alleluia! After the Easter Sunday service, my family and I took Xioaqe and Xaiwie out for Easter dinner; the day before I treated Xioaqe, Tinring, and Qu to lunch. All of these friends are graduate students from China; all are being catechized through your campus mission;

Mileposters News

The eighth Mileposters trail mom qualified as captain on the Riverfront Trail April 22, pictured with three sibling riders at the Branchport Boat Club. She captained both with her first stoker and with an alternate. Her prior training ride, without a stoker, was ten miles; the qualifying day's ride was another ten miles. An experienced cyclist, with eighteen grandchildren, and a veteran in Christian education, she qualified easily and works very well with children.

The original Mileposters tandem from 2002, pictured on the Riverfront Trail May 9, which returned from the Rev. Bryan Borger family in Indiana a few years ago and was owned by the family with four captains (three adult and one youth) has now come back to the home stable and is being rebuilt as a commuter/training bike. Unusually short for a tandem, it fits into smaller vehicles than the others. It has been fitted with wing nuts for quick release of the front wheel, crank shorteners in the stoker position, and brass bells. In the picture, it also has a "local" asymmetrical pannier for shorter rides. Other upgrades are in progress, including a "long distance" pannier for the other side.

Total mileage for the beginning of the Puerto Rico campaign, with 5 different riders, as of May 9, stands at 80. All miles ridden through midsummer will be for this effort.

ASCENSION LUTHERAN

McCandless

2019 National Day of Prayer at Ascension: On the first Thursday in May, a small but mighty group met in front of Ascension as a part of the National Day of Prayer. The central focus of our prayers was asking God to help everyone in our country to treat others with the love Christ has shown us. You could feel that love in the 14 people gathered there.

You're invited to attend Vacation Bible School (VBS) at Ascension Lutheran Church. **THE INCREDIBLE RACE** (by Answers in Genesis) will be held July 15 to 18 from 5:45 to 8:15 p.m.

Children entering PreK through 6th Grade will race from continent to continent creating crafts, playing games, making music, and learning what the Bible says about the Incredible Race—the human race. As the children examine the events surrounding the tower of Babel, they will learn that God is calling people from every tribe and nation through his Son, Jesus Christ, the Savior of the world. He wants us to share this good news in kindness and love with our neighbors nearby and far away.

Dinners will be provided for VBS families from 4:30 to 5:30 p.m. To register or for more information, please call Barbara at Ascension's church office (412-364-4463).

BETHEL LUTHERAN

Glenshaw

Bethel participated in this year's Stations of the Resurrection at Rebecca at Concordia and Highpoint on April 28. This is the first year that the Tri-Parish group joined us and was directed by Ruth Miller. Usually throughout the nine scripture readings there are musical selections from various people doing solos or duets. This year the Tri-Parish Choir provided all the musical selections. There were a total of 17 participants from Bethel Lutheran, First Trinity Lutheran and St. John's Lutheran Church. Eighteen residents and friends attended the event at Rebecca and 17 attended at Highpointe. We hope that each year the attendance grows both in singing, reading and of course in the audience.

The Stations of the Resurrection focuses on the various appearances of Jesus during the forty day period between His resurrection from the dead and His ascension into heaven. Unlike the Stations of the Cross, all the Stations of the Resurrection are based on Scripturally-recorded incidents contained in the four Gospels and the book of Acts.

MT. CALVARY LUTHERAN

West View

Mt. Calvary in West View celebrated its annual Youth Choir service on Sunday, May 5. The choir comprised vocal students of Mt. Calvary's organist and music director, Sharon Pritchard. This year the students were Mary Bence, Noel Billmann, Lucrezia Deseri, Harmony Karwoski, Cassidy Laffey, Jenny Snyder, Jenna Woelke, Delaney Winner, and Joanie Zilaitis.

Their songs were interspersed throughout the service and included such standards as "Amazing Grace," "This Little Light of Mine," and "How Great Thou Art," as well as individual favorites such as "Holy Spirit," "Shepherd of My Heart," "Be Thou My Vision," "I Say 'Yes' My Lord," and "Your Hands." Each of the students was asked to write a reason why they chose that particular song, and each mentioned in her own way how beautiful it was and how meaningful the lyrics were.

The service concluded with the students singing "Praise the Lord" to the tune of "Edelweiss," with the congregation joining in the second time through. A reception followed immediately in the church hall.

As the calendar turned to June, the Vacation Bible School crew was excited about gearing up for VBS June 24 to 28. This year's program, titled "Miraculous Mission," will feature something new, as for the first time it will be held in the evening, 6:00 p.m. to 8:00 p.m., with a complimentary light dinner served for children and parents beforehand. Also, the final program featuring all of the children will top off Friday night, rather than Sunday morning during the church service. Watch for a recap in the next issue!

In addition, all monies collected in the offering will go to this year's mission project, Cupcakes for Cohen. Cohen is a young boy in the area who is suffering from numerous illnesses, including a golf-ball-sized tumor on the pituitary gland, diabetes, and loss of vision in one eye. His condition is taking both an emotional and a financial toll on his parents, and they sell cupcakes to help pay the medical bills. For more information, call Georgeanne at 412-996-2921.

ST LUKE LUTHERAN

Cabot

St. Luke Lutheran Church will be at Saxonburg's, "Mingle on Main"! Once a month over the summer (3rd Thursday in May-September), Saxonburg, PA shuts down its Main Street to host the community in a festive atmosphere of shopping, eating and sharing time with each other. For some churches getting the community through the sanctuary doors is the hardest part. Here's one way that St. Luke is making that first step easier--by coming to you! To share the various missions and ministries with the community, St. Luke will host a booth at Mingle on Main. Each month a different St. Luke group will have the chance to host the booth and share its unique ministry with the community. For example, in July, the LWML's mission group, "Dress-A-Girl," will showcase their mis-

Other months will feature the Mission Board, Trail Life Boys, Cornerstone, and Heritage Girls. Come and mingle with the saints of St. Luke. Find us there on June 20, July 11, August 15, and September 19 from 5:00p.m. to 8:00 pm.

REDEEMER LUTHERAN SCHOOL

Redeemer held the 2nd Annual Trivia Night on Friday, April 12. Parents, friends of Redeemer, and older students gathered at the Penn Hills campus for a terrific evening of pizza, fellowship, and entertaining trivia questions. All proceeds from the event will go to support the RLHS mission trip in June; students will perform service projects at the Youth Haven Ranch for disadvantaged children in Holt, Michigan. Thank you to all who attended and participated, and a heartfelt thank you to Mrs. Mary Podeszwa for organizing and overseeing the evening.

Two members of Redeemer's *Mary Poppins* musical ensemble have had the privilege of participating in events surrounding the Gene Kelly musical theater awards this month. Senior Grace Wilshire, "Mary Poppins," and Junior Abby Jackson, "Mrs. Banks," had the opportunity to take part in a special workshop for principal cast members on April 29 at the Pittsburgh CLO Academy; local directors shared their wisdom regarding tips for quality musical performance. Grace and Abby will also be participating in the finale at the Gene Kelly Awards Ceremony on Saturday, May 25; they will be taking part in over 12 hours of rehearsal to prepare for the performance. We are proud to have them represent Redeemer at this event.

Redeemer's annual athletic banquet was held on Friday, May 3. Members of all Redeemer sports teams were recognized, with special awards and honors going to graduating seniors. Some highlights of the year included the following:

Thanks, as always, to faculty and parents for organizing the trip, and to Lutherlyn staff for their hospitality.

Redeemer held its second kindergarten signing ceremony, this time at the Penn Hills campus on May 9. Once again, incoming kindergarteners signed a special certificate, received some fun enrollment gifts, and had their picture taken with their parents. We are excited for each and every student joining us as “Little Rams” this fall.

Redeemer’s annual Mother’s Day Event was held on Friday, May 10. The theme this year was 50’s Sock Hop. Students and mothers alike dressed in 50’s style fashions to celebrate the day. Mothers were treated to presentations by each class, and the morning ended with a picnic lunch. The Lord graciously held off the rain and allowed moms and kids to enjoy their lunches outside, finishing up just as the drops started to fall. It was a joyous occasion!

All dolled up for the Mother’s Day Sock Hop Event!

St. Luke students had a busy May this year. Preschool to 8th grade girls were invited to bring their dads, grandfathers, uncles, or other significant father figures to the Father/Daughter Dance on April 26th. Over 100 girls and their “dates” enjoyed an evening of food, dancing and fun. Fathers and father figures play a vital role in the life of a child and we are very blessed to have so many positive role models in our lives. *“The righteous man walks in his integrity; His children are blessed after him.” Proverbs 20:7 NKJV*

1st to 6th grade presented their Spring Concert on Wednesday, May 1 at 1:30 and 7:00 p.m. for parents and friends. The students expressed their love for the Lord through dance, song, African drums, xylophones, and recorders. The many hours of practice spent by Mrs. Beckstead and the students came to fruition with much joyful noise!

Spring Concert

Our 4th graders presented an interactive wax museum at school on May 1 and again on May 10 at the Concordia Havens. The activity culminated their studies in Pennsylvania history this year. Each student chose a historical figure from Pennsylvania to portray. This photo is of one of our students dramatizing John Roebing, the founder of Saxonburg.

Other interesting notables included Andrew Carnegie, Fred Rogers, Milton Hershey, Arnold Palmer, H. J. Heinz, Lee Iacocca, and Betsy Ross, among others 4th grade PA History teacher, Jennifer Baker said the excited students researched their candidates, picked costumes, and had a great time answering questions from the visitors who came to take part in the project.

Our students participated in the National Day of Prayer activities on May 2nd at St. Luke. Ten stations were set up around the school with activities designed to encourage prayer in several areas: to praise and thank God, for our country, for others, our school, our families, health, safety, spiritual growth, and the church. We thank God for the opportunity we have been given through our Christian school to teach and pray with our students daily. *“Start children off on the way they should go, and even when they are old, they will not turn from it.” Proverbs 22:6*

The 7th and 8th grade students went on their class trip to Gettysburg/Harrisburg/Hershey on May 2 and 3. Students and chaperones traveled 200+ miles to reach their historic destination where they explored many sites, including the Gettysburg Battlefield, the Shriver Museum, the Soldiers' National Cemetery, and also visited our state capital in Harrisburg. As a fun side trip, they toured Hershey Chocolate World and rounded out the day at Hershey Park. It was a memorable trip for everyone. Thank you, Lord, for great weather, good times, patient chaperones and safe travels back home to western PA!

7th & 8th grade class trip

Eleven 8th grade students will graduate from St. Luke School on Saturday, June 1. Each of the students will be presented with a graduation diploma as well as a Scripture verse chosen specifically to inspire them as they step out into a new adventure in life. We feel blessed to have been able to invest in the lives of these young people and encourage everyone to keep them in their thoughts and prayers.

ZION LUTHERAN PRESCHOOL

Bridgeville

It's so hard to believe, but another school year is coming to a close. As we prepare to finish out our last few weeks, we can't help but look back on our fantastic year and give thanks and praise to God for His many blessings.

Our enrollment for the 2018/2019 school year has been 161. Between the morning and afternoon sessions, we have had 10 classes. So far, for the 2019/2020 school year, we have a combined 11 classes with enrollment currently at 180 ... our maximum capacity is 183. We surely are busting at the seams!

We continue to add new programs each year. One that we are very excited about is the addition of STEM (science, technology, engineering and math), which Mrs. Barb Oechslein will be spear-heading. She will spend time in each PreK, PreK Plus and Stepping Stones class to introduce and teach this new curriculum. Summer Boost is another addition to our program starting this July. This program is for 5 weeks in July and meets on Tuesdays and Wednesdays. We will introduce/review letter sounds, word families, sight words, and writing uppercase and lowercase letters. We will also focus on math skills including sorting, counting, number recognition, addition, subtraction, and many other skills necessary for kindergarten. This program is for Zion's oldest students.

Please consider coming to see one of our end of year programs on May 20, 21 or 22 at 9:15 am. We will be singing many of the songs we sing during Kids Praise and conclude with a very sweet video presentation of the school year. Thank you for all of your prayers, and see you in the Fall.

2019 Concordia Fishing Derby for Kids Hosts Over 800

Perfect weather, plenty of fish and tons of fun were all part of the 2019 Concordia Fishing Derby for Kids. Over 800 people – the most in the event’s five-year history – visited Lake Saxony to reel in bass, bluegill, catfish and sunfish. Also breaking records this year was the largest fish caught in the history of the event, an enormous 21-inch largemouth bass! The weather was ideal with plenty of sunshine and temperatures in the mid to upper 60s. Prizes were given out every 15 minutes for the largest and smallest catches. Some fast facts about the event: we went through over 1,000 hot dogs, 1,500 night crawlers, 800 mealworms, and caught over 3,000 fish! A special thank you to our community partners who helped make the event a success: Doc Tile Flooring, Etzel Engineer 2nd Build Inc., Target, Schwebel’s, Reinhart Food Service, Marburger Dairy Farm, Culligan Water and Gearhart's Country Market New this year was a photo contest of the best “big catch.”

Concordia Salutes 40 Year Employee for Dedicated Service

President and CEO Keith E. Frndak proclaimed the week of May 6 as Lynda Byers Week at Concordia in recognition of 40 years of service to the Cabot community.

Lynda Neupert Byers grew up across the road from Concordia at Cabot and wondered as a teenager standing at Brewer's Barber Shop to catch her school bus what it was like living in that building (Oertel Care Center).

"It never crossed my mind that one day I would work in that building," she laughed. "My Dad delivered potatoes and tomatoes to the home."

And in 1979, looking for job security to raise two sons, she found herself in that very building in the Dietary Department, where she worked for four years.

"I was promoted to head cook within a month and eventually became supervisor," she said. "I learned a lot and still use the same recipe for homemade buns and biscuits."

She reminisced about baking all the pies for festivals and transferring them to the barn (where the annual summer festivals were once held). One of her greatest challenges was learning the names of the 100 residents they served.

Lynda transferred to the Laundry Department and stayed until last June, when she accepted a part-time position at Haven II.

"Thirty-five years ago, we had a washer that looked like a hot water tank cut in half. A release pedal drained the water, but we had to place all of the clothing into an extractor to spin out the excessive water," she explained.

In those days she had two staff members, and together, they did the wash for 100 residents.

"Today there are five staff members caring for 300 residents, with three 100-pound washers and five 125-pound dryers," she said. "While I had more responsibility, with that kind of automation, life was much simpler."

One of her favorite Concordia memories is the Christmas Party when Keith Frndak announced that all 20-year employees were eligible to receive a gift of a vacation or a big screen TV. "We took a nine-day cruise to Bermuda and then to the Caribbean islands of St. Thomas, San Juan and St. Martin," she said.

Lynda still lives across the road, has four grandkids and two great grandchildren and also works at a local greenhouse, where in the summer she plants 100,000 plants. She and her family also like to "garage sale."

She looks back on her first day and how much both Concordia and she have grown – one challenge at a time. "It's always been about the residents," she said. "You give and they give back with kind words, compliments, appreciation and lots of love."
