## Pastor's Corner

"Resolutions for You"

*[21] And at the end of eight days, when he was circumcised, he was called Jesus, the name given by the angel before he was conceived in the womb . . . which means "He will save His people." -Luke 2:21*

January is here. Time for New Year's resolutions right? Time for people to plan to stop eating this or that item. Time to follow the TV's pledge to "make a new you" out of you. Or you may have some type of lifestyle change you are hoping to make.

New Year's resolutions are interesting. I'm sure there are things we would like to see changed in ourselves. And there is nothing necessarily wrong with seeing things in ourselves we would like to have changed and resolving to make that change. That can be commendable. What is interesting though is how our church year approaches the New Year. The readings for New Year's Eve and New Year's Day do not concentrate on you making resolutions. The readings don't concentrate upon you making yourself a "better you." Our readings don't focus upon some negative trait you might have and give you words of advice like some type of self-help guru. New Year's Day is entitled, of all things, "The Circumcision and Naming of Jesus."

It may sound a bit odd to think of the New Year as starting off with the circumcision of Jesus. We may not see how the circumcision of Jesus has anything to do with the start of a new year. But it does. The circumcision of Jesus has a lot to do with our New Year's celebration and it has a tremendous amount to do with you.

When the baby Jesus was 8 days old, He was circumcised. This means a tiny piece of foreskin was cut off from Him. His flesh was pierced and blood was spilled. At 8 days old the baby Jesus, who took on our flesh in His incarnation, was already resolved to have His flesh pierced and to have His blood spilled. Already, at just 8 days old, Jesus was making a resolution to stay the course on a single path for you – a path that would ultimately lead Him to a cross where His skin would be pierced once more, only this time with nails. And His blood would be spilled, this time through a flogging, a crown pressed into His skull, nails in His hands and feet, and a spear in His side. Already at 8 days old, Jesus was making His New Year's resolution – to save you from sin, death and the power of the devil. And, unlike us, who often start with great intentions in January and then fail around February, Jesus stayed the course for you! He never stopped His New Year's resolution of being your savior and He never will.

Go ahead and make your New Year's resolutions. There's nothing necessarily wrong with them. But maybe add one – to grow closer to the Christ who resolved to save you from your sin through His sacrifice on the cross. That is truly a New Year's resolution that will never grow old, will never fail, and will always satisfy!

The Lord be with you,

Pastor Grimenstein

# PRESCHOOL NEWS!

## In the Spotlight

As part of our Christmas program this year, we included a slide show of the children acting out the story of Christ's birth. During the month of December each "Jesus time" was spent learning about Mary and Joseph, the angels, shepherds, wise men and of course, baby Jesus. Acting out the story brought a new excitement to the learning process…..and a tear to their parents eyes!

The shepherds go to see the newborn King!

"The wise men travel far….a star shines in Bethlehem, the wise men travel far"…..lyrics from one of our songs sung at the Christmas program.

"Glory to God in the highest! And peace to his people on earth!"

No room at the inn.

Our littlest angels learn the story of Christ's birth.

Mary and Joseph make the long journey to Bethlehem.

## COMING JANUARY 2018 -- A New Women's Bible Study at Zion

**Tuesday evenings -- January 30 through March 20th; 7:15 - 8:45 pm**

Calling all ladies! Join us in January as Zion begins another topical Bible study -- "Forgiveness: Received from God, Extended to Others" by Donna Pyle. Forgiveness is always personal. It's incredibly difficult to do. But it's never optional. Learn more in this eight-week women's Bible study.

This marks the 20th topical study that Zion ladies (and friends outside the congregation) have participated in since 2011. Our ladies group averages three studies per year. Each session provides a wonderful opportunity for study, fellowship, and relationship building.

Is God calling you to join our fellowship in 2018? We'd love to have **YOU**!

# What About…

# The Bible

Greetings to you in the name of our Lord Jesus Christ. The Bible continues to be the best selling book of all time. Throughout the ages, the Bible has provided inspiration, comfort and guidance to those who have read it. But is the Bible merely an inspirational book? It is this, but so much more! Let's spend a few moments reviewing some important truths about the Bible.

**What is the Bible?**

The word "Bible" is from a Greek word that means "book". What is this "good book"? That question has a two-part answer.

First, the Bible is actually a collection of books –66 of them to be exact-from the first book, Genesis, to the last, Revelation. These books cover thousands of years and were written in either Hebrew, Aramaic or Greek. There are many different kinds of writings in the Bible: historical narrative, prophecy, poetry, speeches, letters and so on. From a merely human perspective, there is no question that the Bibles is a masterpiece of literature.

Second, the much more important answer to the question, "What is the Bible?" is this: The Bible is the Word of God. The Bible is the collection of the thoughts—even the very words –that God gave to the authors of the Biblical books. The Bible is a gift God has given to His church. It is not a collection of ancient fables and myths. The Bible is the sure and certain means that God the Holy Spirit uses to communicate God's Word to us today.

**How did we receive the Bible?**

The Bible itself explains how we received it. "All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness"(2 Tim.3:16). We read elsewhere that, "Prophecy never had its origin in the will of man, but men spoke from God as they were carried along by the Holy Spirit" (2 Pet. 1:21)

Because people knew that the Bible was the actual Word of God, it was copied and re-copied with painstaking care and attention to detail, letter by letter, word by word. Though today we no longer possess the actual, original text of the Bible, we can be certain that the Holy Spirit has preserved the Word of God for us. Careful study of the many thousands of copies of the New Testament reveals that though there are minor differences between the various copies, there is no place where any key teaching of the Bible is contradicted.

Our English Bibles are translations from the original languages. When we use reliable translations, we can be sure that we have the true Word of God. Whatever the Word of God is in Hebrew, Aramaic or Greek, it is also the Word of God in English, or in any other language, as long as the translation is faithful to the original languages. Reliable translations include the King James Version, the New King James Version, the Old Revised Standard Version, the New International Version and the New American Standard Bible.

**Why is the Bible so Important?**

Someone may say, "The Bible is important to me because it tells me what to do" and another person might say , "The old stories remind me of my childhood." or "The Bible is a guide-book for daily living." These answers all have a grain of truth, but they miss the real reason why the Bible is so important; It is the sure and certain source for knowing who Jesus Christ is and what He has done for us.

Jesus said "The Scriptures testify about me" (John 5:39). The main message of the Bible is the good news of God's work to reconcile the world to Himself through the life, death and resurrection of Jesus. Throughout Old and New Testaments, the central message of the Scripture is the account of how God was in the world preparing it to receive His Son and then what His Son did when He was here. It also tells how the church received this glorious message of salvation, and how it grew and spread throughout the known world. Luther once compared the Bible to the swaddling clothes the baby Jesus was wrapped in. Thus the Bible is Christ-centered.

Our Lord Jesus said, "If you remain in my Word, truly you are my disciples" (John 8:31). The divine authority and reliability of the Bible does not rest on the persons God used to write the Bible, nor on the endorsement of the Bible by the church, but rests entirely on the fact that it is the Word of the Lord. How do we know this? This confession of the Bible's complete authority is part of the certainty of the faith God gives to us as a gift.

Real human beings were given real words from God to write down. As our Lord Jesus Christ was both true God and true man, so the Bible is truly the Word of God and also the writing of human beings. Even as our Lord Jesus took on human flesh free from sin and error, so God used human beings to provide a written revelation of Himself that is free from error. Thus, we believe that the Bible is both incapable of error (infallible) and free from error (inerrant).

# What About…

## The Bible

The Bible has a very important distinction one needs to keep in mind in order to understand the Bible correctly; the difference between Law and Gospel. The Bible reveals God's perfect holiness and righteousness, and His expectation of perfection. His Law, summarized best in the Ten Commandments, reveals our sinful rebellion and our inability to save ourselves. The Gospel is the joyful news that our Lord Jesus Christ has given us complete forgiveness from our sins through His life, death and resurrection for us. The proper distinction between Law and Gospel is the key to understanding the Bible correctly.

The most important message of the Bible is not the Law of God. The Bible is not merely a collection of principles for daily living. The Bible is not a textbook that answers every possible question we have. Nor for that matter is the Bible a book that predicts every last detail about the future. The central and most important teaching in the Bible is the Gospel, the good news of God's gift of salvation through Jesus Christ. The Gospel is the message that predominates through out the Bible, from Old Testament to New Testament. Thus the Bible is Gospel-centered.

We know that the Bible was not given merely for the sake of itself. We are not saved because we own a Bible. We are saved by our Lord Jesus Christ, who is revealed in the Bible. We believe the Bible because it is the Lord's Word. We believe in Him, thus we believe His Word to be true. We receive what He has given. He has given us the Scriptures. Thus, the Bible is the foundation and touchstone for everything that the church believes, teaches, confesses and practices. Why? Because the Bible is the inspired, Christ-centered Word of the Lord.

**How Do We Use the Bible?**

The Bible is foundational for the church's ministry. The Bible was never intended to stand alone or apart from the community of faith we call the Christian church. It is sad when some people think that, if they just read the Bible, they can stay away from church. We receive our Lord's gifts with joy and do not say, "We want this, but not that." It would be misleading if our high respect for the scriptures was used to drive a wedge between the Bible and the church. The church is the gathering of God's people around the Lord's Word and Sacraments. The Scriptures are the sure and certain revelation of God's Word and thus are to be read, studied and me meditated on by Christians at church and at home.

We Lutherans realize that Scripture must be interpreted according to the central truth of the Bible, the Gospel, not picked apart and made to teach things that actually conflict with the Gospel. Therefore, we pay close attention to the grammar and words of the Bible, seeking out the intended meaning, which is the plain sense of the text. We recognize that God the Holy Spirit works thought the Scriptures to create and sustain the church as it comes together around the preaching of the Word and the administration of the Sacraments.

Whenever the Word of God is preached, taught, studied, read, learned, or meditated on, the Holy Spirit is actively turning people from their sin and drawing them to Christ for their salvation. Thus, we will want to be in the Word daily. At home we read and mediate on the Word through our private and family devotion. At church, our hymns and liturgy are anchored in the Word of God. Our pastors preach to us on the basis of the Scripture lessons appointed for each Sunday in the church year. Our school teachers lead our children into deeper knowledge of the Word of God. In Sunday school, children learn the biblical accounts and thus have a foundation for their lives. In youth and adult Bible studies, the Scriptures are studied in a variety of ways so they can inform and enlighten us and help us understand how we live out our lives as God's people.

What a blessed gift the Holy Scriptures are to us and to all people! Everything God wants us to know about Himself is contained in His Word. Through the Scriptures, the Holy Spirit reveals the truth about our sinful condition and the joyful news of God's saving work for us through his Son, Jesus Christ. Truly, God's Word is a lamp to our feet and a light for our path (Ps. 119:105). For the reason we pray, "Lord, keep us steadfast in your Word."
